NEW YORK STATE SCHOOL MUSIC ASSOCIATION (NYSSMA)  
Solo/Ensemble Registration Form **Orchestra**  
Kellenberg Memorial High School

NYSSMA Solo Festival this year will be held as follows:

*\*NYSSMA Levels I-VI (except piano): May 23<sup>rd</sup> and 24<sup>th</sup>, 2017 at Salk Middle School in Levittown*

All Kellenberg orchestra students must participate in the NYSSMA Solo Festival on their orchestra instrument. If a student plays another instrument they may perform a solo on that instrument in addition to their orchestra instrument if they so choose. The fees for solos are determined by the level of performance.

Level 1 - 4 is \$16.00

Level 5 - 6 is \$24.00

Have your lesson teacher fill out the attached form. *All level I-VI forms along with checks must be turned in by Wednesday, March 1st 2017. Checks should be made payable to Kellenberg Memorial High School. If you are planning to do multiple solos on different instruments, please include a SEPARATE CHECK for EACH SOLO. You will also need a SEPARATE FORM for EACH SOLO. Late payments will not be accepted.*

Please check the dates before handing in your form. If you have a definite conflict on one of those days, please request an appropriate general time when you can make the audition. Again, this is **ONLY FOR A DEFINITE CONFLICT/EMERGENCY**. If no conflict/emergency exists, simply leave that line blank and you will be scheduled for any available time during the festival. Please be aware that while the hosting districts will try to accommodate requests they are not guaranteed. **Once scheduled, your time is definite and may not be changed.**

**Please be aware of the following:**

**This year's festival for levels I-VI is being held mid week on Tuesday and Wednesday.**

As a reminder, all soloists must purchase **TWO original copies** of their NYSSMA solo. Photocopies are not permitted at all. If you purchase a solo that comes with a piano score that includes the solo within it you do not need to purchase an additional copy. The piano score can be given to the judge.

No scores will be posted at any NYSSMA festivals in Nassau County. You will be notified of your grade by your teacher in the week following your audition.

Remember, you are representing our school. Not participating or appearing late for your solo is a poor reflection on you and on Kellenberg. Students should dress appropriately. This means school uniform or equivalent dress attire. Preparing a solo to be done properly is hard work and will take much time and effort on your part. Please make sure you are on time and prepared the day of your solo performance. Your solo grade will be factored into your grade for orchestra.

If you have any questions, please do not hesitate to contact me.

Thank you,

Mr. Emmett Collins
